## Business Owners: Be Heard!

Get involved in the general plan update and help shape the future of San Marcos! Mark your calendar to attend one of the following workshops dedicated to addressing the needs and concerns of the San Marcos business community as expressed at the General Plan Advisory Committee meetings.

**Wednesday, July 28, 2010**  
**4 to 6 pm**

**Tuesday, August 3, 2010**  
**4 to 6 pm**

**San Marcos Community Center  
Main Hall**  
**3 Civic Center, San Marcos**

A City's general plan is one of the most important documents for guiding future development, and is often times referred to as a "blueprint" for achieving the City's vision for the future. Decisions related to development, growth, infrastructure and environmental management in San Marcos will be covered in the general plan update. Input from businesses at these workshops will be used to guide the update of the general plan. The final plan will then be adopted by the San Marcos City Council.
